ROHS 3 Certification (2015/ 863)

This letter is to certify that U.S. Nameplate Co. products, to the best of our and our suppliers' knowledge, are compliant to RoHS 3 (Restriction of certain Hazardous Substances) Compliance Requirements per EU Directive 2015/ 863. Our products are neither manufactured with nor contain: Lead, Mercury, Cadmium, Hexavalent Chromium, Polybrominated Biphenyls (PBB), Polybrominated Diphenyl Ethers (PBDE), Bis (2-ethylhexyl) Phthalate (DEHP), Butyl Benzyl Phthalate (BBP), Dibutyl Phthalate (DBP) or Diisobutyl Phthalate (DIBP).

Please note that U.S. Nameplate Co. nor our suppliers routinely analyze products, as we are not required to do so. Therefore, U.S. Nameplate Co. cannot state that our products are 100% free of these RoHS 3 substances. Trace amounts may be present as contaminants but are expected to be below the maximum thresholds established by the RoHS 3 Directive 2015/ 863.

Andrew Novetzke

President
